DYNAMIC REBOUND. RELENTLESS RESILIENCE. COMFORT THAT ENDURES.

HIGHER REBOUND

CUSTOMIZED ELASTICITY

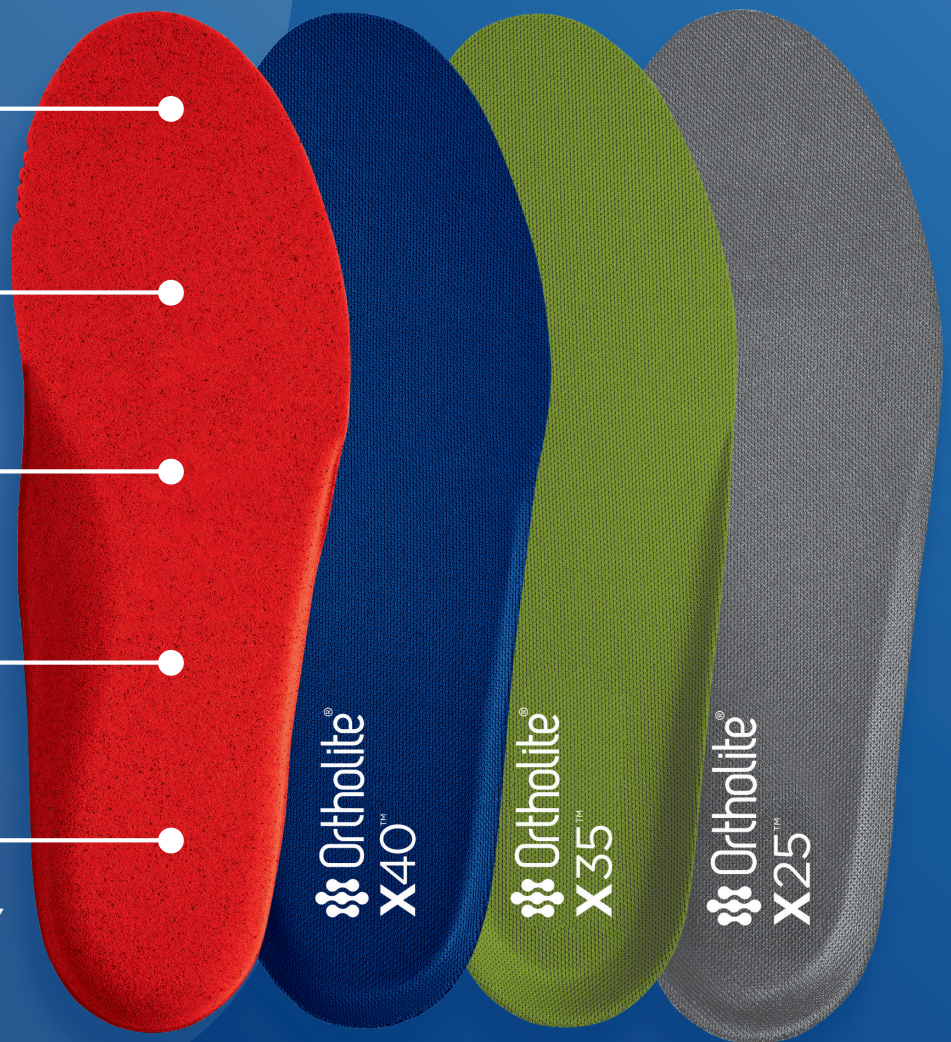

LONG-TERM CUSHIONING

MOISTURE MANAGEMENT

OPTIMIZED BREATHABILITY

Built to perform at every step, the Ortholite® X-Series delivers high-powered rebound and exceptional resilience, rebounding on impact to fuel your stride with continuous energy return. It's cushioning that refuses to quit, support that stays consistent, and comfort that endures, keeping you moving stronger, longer, mile after mile.
